

## 1<sup>st</sup> webinar of the Zaragoza Map & Compass series

#TowardsZAZ2021

#8EMESconf

Dear EMES colleagues, PhDs, Early-Stage Researchers,

Thank you for registering to the upcoming webinar from the EMES International Research Network #mapandcompass series - here comes #Zaragoza!

### Sessions

Tomorrow 25th of February (2021), two EMES scholars, [Tracey Coule](#) (Conference co-chair) and [Benjamin Huybrechts](#), will be delivering the sessions.

- The first session by [Tracey Coule](#) will talk about fitting your PhD research with the conference themes of the EMES conference in Zaragoza, but also wider issues around developing your academic identity and framing and articulating your PhD work in shorter pieces (conference papers, journal articles, book chapters and so on).
- In the second session, [Benjamin Huybrechts](#) will provide the insight into how to submit and present papers at the conferences, take the best out of conference participation in terms of networking and feed-back on your work, and remain connected to an academic community such as EMES.
